Democracy Is a Good Thing: Essays on Politics, Society, and Culture in Contemporary China (The Thornton Center Chinese Thinkers Series) Yu Keping

"Democracy is a good thing. This is true not only for individuals or certain officials but also for the entire nation and for all the people of China."—Yu Keping

So begins "Democracy Is a Good Thing," an essay of great influence that has commanded attention and provoked discussion throughout the world. It is the touchstone of this important volume of the same name. As one of China's foremost political thinkers and a leading proponent of democratizing the People's Republic, Yu Keping is a major figure not only in his native land, but also in the international community. This book brings together much of his most important work and makes it readily accessible to readers in the West for the first time.

"Democracy Is a Good Thing" created a stir internationally. Perhaps more important, however, is the heated debate it spurred within China on the desirability of democratic reform. That important essay appears here, along with several of Yu Keping's other influential works on politics, culture, and civil society. His topics include China's economic modernization, its institutional environment, and the cultural changes that have accompanied the nation's reforms.

Democracy Is a Good Thing pulls back the curtain to reveal ongoing discourse in Chinese political and intellectual circles, discussions that will go a long way toward determining the future of the world's most populous nation.

And so there are a lot of benefits that you will get when you buy this book.

Craig Rushing:

As a university student exactly feel bored to help reading. If their teacher inquired them to go to the library or to make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful images on there. Yeah, it is for being complicated. Book is very important

to suit your needs. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Democracy Is a Good Thing: Essays on Politics, Society, and Culture in Contemporary China (The Thornton Center Chinese Thinkers Series) can make you sense more interested to read.
