NHRA Drag Racing Photo Greats: Wild Rides 2

A perfect drag racing pass is a thing of beauty – the engine roaring on all cylinders, the rear tires digging and churning, the front end dancing lightly on the racing surface – but things aren't always perfect in the world of drag racing. Sometimes the ride turns out a little on the wild side, and when that happens, a vigilant photographer is always ready to capture the chaos. NHRA is proud to present this collection of photographs captured exclusively by the staff of National DRAGSTER over the decades. Despite the extreme nature of the images, no racers were seriously injured in any of the incidents pictured. A portion of the proceeds will be donated to NHRA in the Community charities. 70 pages, 70 historic photos in color and black-and-white.
