Old Bones: A British Police Procedural (A Bill Slider Mystery) Cynthia Harrod-Eagles

DCI Bill Slider tackles the coldest of cold cases in this absorbing mystery.

A young couple discover human remains buried in the garden of their new house: could this be the resting place of 14-year-old Amanda Knight, who disappeared from the same garden two decades before, and was never seen again?

The problem comes almost as a relief to DCI Slider, still suffering from the fallout of his previous case. He is not popular with the Powers That Be, and his immediate boss, Detective Superintendent Porson, reckons that at least this little puzzle will keep Slider out of trouble. After all, with a murder twenty years in the past, this is the coldest of cold cases. Most of the suspects and principal players are now dead too, and all passion is long spent. Or is it?
