Hidden Aspects of Palliative Care Nursing (Palliative Care) Maxine Astley, Brian Nyatanga

This multi-contributor text focuses on some of the hidden challenges and aspects found in palliative care provision. The authors bring a wealth of insight into the difficult or challenging questions that are not always discussed openly in palliative care settings. It explores the differences between what is said openly by practitioners and how that is then documented in patients' records. The liberal reader will find this book of interest and the honesty challenging at all levels.
