To do its part in the war effort, the U.S. Mint changed from a copper cent to a zinc-coated steel version for one year, in 1943. Rumor quickly spread that anyone who found a 1943 copper cent would be rewarded with a car from Ford. Now you can display your collection of the legendary Lincoln cents of 1909 to 1958 in this beautiful four-panel coin folder. Larger in size than the average folder, this unit has room for 144 coins, the most of any similar folder.

#### **Mary Buss:**

As a college student exactly feel bored to reading. If their teacher questioned them to go to the library or even make summary for some guide, they are complained. Just very little students that has reading's heart or real their pastime. They just do what the educator want, like asked to the library. They go to there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Lincoln Cent 1909-1958 Collector's Folder (Warman's Collector Coin Folders) can make you experience more interested to read.
