This comprehensive question-and-answer review book has been revised and updated to meet current NCLEX standards. The study guide and reference text includes: a free NCLEX demo disk, over 1750 review questions, two comprehensive exams that simulate the actual licensing exam, and answers with rationale for correct and incorrect responses. Test-taking strategy is discussed and the new Computerized Adaptive Testing (CAT) is also covered. A self-evaluation grid follows each test, and reference citations after each correct answer.

Theresa Tompkins:

As a scholar exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just very little students that has reading's internal or real their hobby. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Lippincott's Review for Nclex-Pn/Book and Disk can make you sense more interested to read.
