Stuart McClean

An Ethnography of Crystal and Spiritual Healers in Northern England: Marginal Medicine and Mainstream Concerns Stuart McClean

This work focuses on the cyclical structure of the patterns of social change. According to the Wave Principle, patterns of five waves move in the direction of a trend and three waves move against it. The author presents a theory of agency and sociality that serves as a basis for the wave-like character of social change and the individuality of the component waves of the pattern.
