From the acclaimed author of *Master* comes the tale of a woman of legend, caught in a dark forest of intrigue, desire, and lust.

Maid Marian, now Lady of Leaford, is sent to the court of Prince John-not to take part in the debauchery of his Court of Pleasure, but to spy on him for his mother. Little does she know that her secret mission will thrust her into a whirlwind of intrigue, terror, and carnal temptations.

At court, Marian is torn between her duty to the queen and her desire for two men: one, the mysterious highwayman the peasants call Robin Hood, and the other, the dark, cold Sheriff of Nottingham. Given an impossible choice, she must submit to the carnality of Prince John's court in order to fulfill her duty and maintain her honor. But in the end, there is only one man for whom she will risk her life and give her heart.
