## Christian Ethics: The Issues of Life and Death

Do not conform any longer to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is - his good, pleasing and perfect will. - Romans 12:2 (NIV) What are your goals in life? What goals should you pursue in your life? Every day you make decisions concerning moral issues. Moral evaluation implies that there is a standard of judgment. Christian ethics is the study of how we live a life that conforms to the will of God. When we look at life from a biblical perspective, our goals, actions, and standards should be the result of asking the question, "What is God calling me to do and be?" Christian Ethics takes a fresh look at a multitude of ethical issues through the lens of God's Word. This important new resource will help provide guidance into knowing God's will for your life.
