Freud and Man's Soul (Pelican)

Bruno Bettelheim

Freud and Man's Soul (Pelican) Bruno Bettelheim

Has Sigmund Freud been seriously misunderstood? The author of *The Uses of Enchantment* argues that mistranslation has distorted Freud's work in English and led students to see a system intended to cooperate flexibly with individual needs as a set of rigid rules to be applied by external authority. This provocative argument cuts through the myths to reveal a greater, more compassionate and also far more disturbing figure.

"VITAL...an eloquent attempt to reclaim Freud's reputation in America." —THE NEW YORK TIMES

"Lucid and provocative." —THE LOS ANGELES TIMES BOOK REVIEW
