#### **Richard Hunt:**

As a university student exactly feel bored to be able to reading. If their teacher asked them to go to the library or to make summary for some e-book, they are complained. Just very little students that has reading's soul or real their passion. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that examining is not important, boring in addition to can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this I Wish I Could Fly can make you really feel more interested to read.
