He told me I was a penguin: "tiny, adorable, and loved by everyone."

TALES FROM THE BEGINNING OF LOVE

It may be after three days together, or after three months-it's that moment when it all falls together. From heartfelt declarations to all-knowing smiles, *It Was Love When ..* captures that moment when love is just beginning.

- I thought to myself, "I love him more than Spider-Man loves Mary Jane."
- I was looking through his iTunes when I realized that our playlists were nearly identical.
- Suddenly he turned off the lights and told me to look up at the ceiling. Glow-in-the-dark stars covered the entire ceiling, spelling out "I love you."

Both addictive and heartwarming, *It Was Love When...* is a freeze frame of that moment when you realize that you're truly, completely in love.
