But, for these four young women, they get more than they bargain for during one semester at Shaw University. She thought she was living the perpetual life by having the perfect boyfriend, but she never imagined that her boyfriend has been living a lie for quite some time. When another man comes into her life, she has to make a choice on who she should be with: her boyfriend or the guy that has caught her attention in more ways than one. Britney Lewis has always been loyal to her friends, especially her best friend, Riana. While Ri and her cousin, Cheryl, are on vacation during the summer, Britney has been doing the unthinkable with the person closest to Riana. Will she be able to tell Riana the truth about her misdeeds, or will she continue living a lie? Cheryl Thompson has been through a lot in her young age, but that hasn't stopped her from striving for new goals. With meeting a new man and gaining a new found confidence within herself, will she finally be able to live the life she always dreamed of? Monica Taylor is the wildest one of the bunch and usually reacts before thinking. When she gets tangled up in a crazy situation, will she be able to get it out it, or will it destroy her life? Take a journey with Riana, Britney, Cheryl, and Monica, as they experience life and love during their sophomore year in college in part one of Love, Life, and Happiness: The Lost Story.
