Manners Magic is written for children between 6 and 11 years old, and is the perfect tool for parents, grandparents, indulgent aunts and godparents to teach their child how to behave properly. Light hearted in tone and accompanied by lively modern cartoons, children will immediately recognise the many situations presented here, for example, what do you do when you are served food at a friend's place that you just don't like? What do you say when you are introduced to your friend's parents? How do you manage tricky situations like when you wish someone would disappear, or how to duck an invitation without hurting anyone?
