SINJIN: You Give Me Something (The Cameron Trilogy) (Volume 3) Serenity King

Sinjin Cameron is a broken man, living in a world filled with death, danger and deceit. His days are spent fighting for justice, his nights fighting the demons that plague him. His job and his demons interrupt everything most important to him, especially his ability to love. While he longs for love, he knows he can never have it. Not the kind he wants, the love of a good woman. No woman will ever understand his world of danger and demons. In rare moments of peace, he cannot deny his longing for Asia Carrington. She is the one good thing that haunts him. The love in his heart is battling with the demons in his head. Thinking to keep her safe, he pulls away. Yet she draws closer. Will he be able to conquer the demons, the danger, and the walls he's built up to keep others out and fight for a love he thought he'd never find? A former super model, Asia Carrington is fiercely independent and hell-bent on doing things her way. She knows what she wants and goes after it. While the world of glamour and fame she focuses on at Sasha's Glam, the magazine she owns and publishes, would be enough for most women, it's not remotely fulfilling for Asia. Looking for a new challenge, she joins forces with her cousin who specializes in private security. Little does she know that the excitement and adventure she seeks will drive her right into the arms of the one man she wants to avoid at all costs, Sinjin Cameron.
