Now titled Warship Poseidon. WINNER of the Independent Author Network's 2015 Outstanding Action Adventure Book of the Year and the 2012 Grand Master Award sponsored by the Clive Cussler Collectors Society. A great adventure books for youngsters and adults. (5th -7th grade Flesch–Kincaid reading level) "A robust story of a young lad in the British Navy during the Nelson years. A thorough insight and beautiful portrait of those days under wind blown sails and the creak of wooden hulls. Peter Greene has created a story that shines from every page. An excellent book. He truly nails an insight of nineteenth century sailing ships and their crews." - Clive Cussler Homeless and alone on the streets of London in 1800, twelve year-old Jonathan Moore survives this harsh and dangerous world using courage, intelligence and determination. His dismal fate changes dramatically one day after he is abducted by a gang and pressed into service aboard the HMS Poseidon, a forty-four gun fighting frigate of the British Royal Navy. However, there is more to the event than just a change of address. How is it that some members of the crew, including the Captain, already know his name? Why do the officers seem to favor him above the other new crew members? As Jonathan endeavors to solve these mysteries, he is thrust into a daring mission to recover a hidden treasure on a remote Caribbean isle. Unfortunately, the crew and officers of the Poseidon are not the only ones searching for the prize. In a desperate race across the Atlantic to Skull Eye Island, Jonathan is pitted against sword-wielding spies, engages in terrifying ship-to-ship battles and in the end, must match his wits and courage against a ruthless and cunning French Captain and his powerful warship. Enjoy this new edition complete with illustrations by Michelle Graham.
