The Black Leather Jacket

Mick Farren

The Black Leather Jacket Mick Farren

Ever since a leather-jacketed Marlon Brando slouched across the screen in *The Wild One*, the jacket's mixture of animal magnetism, brooding menace, and sexual provocation has made it a must-have for hipsters, rebels, and *fashionistas*. This entertaining book chronicles the leather jacket from its roots among World War I flying aces to its present incarnation in high fashion. Along the way, it shows how every generation and subculture — including the Hell's Angels, beats, punks, movie stars, counterculturists, and fetishists — has made the leather jacket its own.
