**The End** Anders Nilsen

**This is an expanded version of Anders Nilsen's (*Big Questions*) comics meditation on his fiancée's death.**

Assembled from work done in Anders Nilsen's sketchbooks over the course of the year following the death of his fiancée in 2005, *The End* is a collection of short strips about loss, paralysis, waiting, and transformation. It is a concept album in different styles, a meditation on paying attention, an abstracted autobiography and a travelogue, reflecting the progress of his struggle to reconcile the great upheaval of a death, and finding a new life on the other side. The book blends Nilsen's disparate styles, from the iconic simplicity and collaged drawings of his *Monologues for the Coming Plague* to the finely rendered *Dogs and Water* and *Big Questions*. Originally released in magazine form in 2007, *The End* has been updated and expanded to more than twice its original length, including a 16-page full-color section. Two color with 16 pages of full color
