Vital Records: A Research Guide Holly T Hansen, Arlene H Eakle, James L Tanner

As we go back in time, there is a point when vital records for ordinary people were neither required nor kept. Thus, a greater depth of knowledge is required to retrieve the desired information from the records. This book contains an overview of vital records, a step-by-step guide to marriage records in their various forms, a review of the laws that govern legality of marriage, regulations regarding birth records and delayed registrations, and diverse strategies for locating hard-to-find evidence in the records. You will enjoy this approach to the resources as we take you from common and easily found records to unusual and more difficult-to-find resources that yield vital information for your family history research.
