Have We Missed the Second Coming? Kenneth L Gentry

A new and growing aberration in evangelical prophecy circles is the view that the Second Coming of Christ occurred at the destruction of the Jewish Temple in AD 70. Many Christians are being confused because of the similar language used in Scripture to refer to Jesus's return at the end of history which also applies to the temple's destruction. This new movement has developed a cult-like zeal and is causing trouble in many local churches and confusion among numerous Christians. This book demonstrates the error of the "Hyper-preterist" viewpoint. This error teaches that: (1) Christ returned at the judgment of the temple; (2) the resurrection occurred at that time (and there is no future bodily resurrection); (3) that AD 70 was the Final Judgment spoken of by Christ and the Apostles; and (4) that history will never end.
