One Lump or Two: Things That Suck About Being Diabetic Haidee Soule Merritt

A collection of cartoons inspired by the diabetes lifestyle, these illustrations span a period of more than a decade. Starting out as nothing more than a few doodles and growing to represent a lifetime of personal struggles and experiences after life changing eye surgeries in the author's early 20s. During that period she stubbornly continued to write in her journal and fingerpaint in colors she couldn't see. As she gradually recovered partial vision, Haidee rediscovered her love for the simplicity and straightforwardness of pen & ink. The cartoons in One Lump or Two mark a significant chapter in Haidee's artistic life that she overcame with humor.
