What Christian science means and what we can learn from it, James Mann Campbell

Excerpt from What Christian Science Means and What We Can Learn From It

Those who read this volume in the expectation of finding in it an attack upon Christian Science will be disappointed. To all that is good in Christian Science there is given ungrudging recognition. That there is much to be said in its favor is not disputed, but that it is fashioned after the New Testament type is more than questioned. The attitude maintained toward it is that of one who, having carefully weighed the utmost it has to say in behalf of its lofty claims, turns alike to those who have found in it a resting-place, and to those who are looking wistfully towards it for physical and spiritual help, saying, "Yet show I unto you a more excellent way."

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
