*Hello. Good-bye.*

*Every day we use these words.*

*In one way or another we say  
them again and again.*

*We say "hello" when we meet.*

*We say "good-bye" when we part.*

*They are a beginning and an end.*

Who but the incomparable Aliki would be able to take these two simple words and show us that they are filled with possibilities. There are many different kinds of hellos -- and just as many good-byes. And each can be filled with excitement and surprise. Start reading-and say hello to fun!
