Monkey: A Superhero Tale of China, Retold from The Journey to the West Aaron Shepard

If you think Superman or Spiderman has been around a long time, think about Monkey. He has been China's favorite superhero for at least five centuries. He's amazingly strong, he can fly, and he has a few tricks those other superheroes never heard of. And he's always ready to do battle with demons, dragons -- sometimes even the gods.

Monkey stars in *The Journey to the West*, an epic comic fantasy from the sixteenth century. The part retold here is about Monkey's origin and early career -- and the one time he didn't come out on top.

For ages 10 and up. Not illustrated!
