Rozabal Line, the Ashwin Sanghi

A cardboard box is found on a shelf of a London library. When the mystified librarian opens it, she screams before she falls unconscious to the floor. Within the labyrinthine recesses of the Vatican, a beautiful assassin swears she will eliminate all who do not believe in her twisted credo. An elite army of thirteen calling itself the Lashkare Talatashar has scattered around the globe. The fate of its members curiously resembles that of Christ and his Apostles. Their agenda is Armageddon. A Hindu astrologer spots a conjunction of the stars and nods to himself in grim realization of the end of the world. In Tibet, a group of Buddhist monks searches for a reincarnation, much in the way their ancestors searched Judea for the Son of God. In strife-torn Kashmir, a tomb called Rozabal holds the key to a riddle that arises in Jerusalem and gets answered at Vaishno Devi. In *The Rozabal Line*, a thriller swirling between continents and centuries, Ashwin Sanghi traces a pattern that curls backward to the violent birth of religion itself.

From reader reviews:

Randy North:

Book is to be different for every grade. Book for children until finally adult are different content. As it is known to us that book is very important for people. The book Rozabal Line, the seemed to be making you to know about other information and of course you can take more information. It is quite advantages for you. The e-book Rozabal Line, the is not only giving you much more new information but also being your friend when you experience bored. You can spend your spend time to read your e-book. Try to make relationship with all the book Rozabal Line, the. You never truly feel lose out for everything in case you read some books.

Megan Snyder:

Playing with family in the park, coming to see the ocean world or hanging out with good friends is thing that usually you might have done when you have spare time, subsequently why you don't try issue that really opposite from that. A single activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love Rozabal Line, the, it is possible to enjoy both. It is excellent combination right, you still need to miss it? What kind of hang-out type is it? Oh come on its mind hangout folks. What? Still don't get it, oh come on its called reading friends.

Joseph Blackwell:

Reading a book to get new life style in this 12 months; every people loves to go through a book. When you examine a book you can get a great deal of benefit. When you read books, you can improve your knowledge, because book has a lot of information into it. The information that you will get depend on what kinds of book that you have read. If you wish to get information about your research, you can read education books, but if you act like you want to entertain yourself look for a fiction books, these us novel, comics, and soon. The Rozabal Line, the will give you a new experience in studying a book.

Amanda Garcia:

As we know that book is very important thing to add our knowledge for everything. By a e-book we can know everything we want. A book is a set of written, printed, illustrated or even blank sheet. Every year was exactly added. This book Rozabal Line, the was filled with regards to science. Spend your spare time to add your knowledge about your technology competence. Some people has distinct feel when they reading a book. If you know how big good thing about a book, you can feel enjoy to read a publication. In the modern era like today, many ways to get book which you wanted.
