Snape: A Definitive Reading

Lorrie Kim

Snape: A Definitive Reading Lorrie Kim
The Harry Potter series may be named after the Boy Who Lived, but if you want to know the story, keep your eyes fixed on Severus Snape. This hook-nosed, greasy-haired, grumpy character is one of J.K. Rowling's enduring gifts to English literature. He's the archetypal ill-tempered teacher: acerbic, yet horribly, deliciously funny. When he's in a scene, you can't take your eyes off him. Snape is always the story. - From the Introduction

In this examination of J.K. Rowling's most enigmatic character, Lorrie Kim shows us how to sort through the illusions and lies to the man who dared to spy on Voldemort. In his final moments, he asks Harry, and the reader, to "Look at me." This book does just that.
