The influential, provocative, and often radical art-making practices of Vito Acconci have earned him international recognition. Acconci has been a vital presence in contemporary art since the late 1960s; his confrontational and ultimately political works have evolved from writing to conceptual art, bodyworks, performance, film, video, multimedia installation and architectural sculpture. This catalogue presents a complete selection of a wide range of Acconci's works (accompanied by a text on each project), an interview with the artist, an extensive bibliography, and includes a DVD with three 20-minute videos in which Acconci narrates.
