Lady Emma Sterling has always been the perfect lady. Which is why no one is more shocked than Lady Emma herself when she accidentally indulges in a bit too much elderberry wine and wakes up the next morning in bed with none other than Lord William Prescott, England's most notorious rake!

Humiliated and ashamed, Emma would like to pretend the whole thing never happened. Unfortunately, William isn't about to let her go that easily. Enchanted by her deep blushes and scandalized glances he's as determined to pursue Emma as she is to avoid him.

When they are trapped together during a winter storm Emma is left with no choice but to finally confront her conflicted feelings for the handsome rogue who has been slowly stealing her heart. But will their Christmas affair end in love... or disaster?
