In this the 20th edition of *Golfing in Washington* we have added many new features such as scorecards, drive times, additional course comments and much, much, more. My hope is that it will be the most complete golf guide in the state of Washington published to date. The size of the guide is designed with the idea in mind that the book will more easily fit in the glove box of your car or in a pocket of your golf bag for easy access. We have provided you with small map inserts along with the detailed driving directions to help you find your way to Washington State's wonderful golf facilities. As always all our updated guides and revised editions include regulation golf courses, par 3 golf courses, and driving ranges that just opened or are due to open in the upcoming season.
