Leading with Soul: An Uncommon Journey of Spirit, New & Revised Lee G. Bolman, Terrence E. Deal
Since its original publication in 1995, *Leading with Soul* has inspired thousands of readers. Far ahead of its time, the book bravely revealed the path to leadership to be a very personal journey requiring a knowledge of self and a servant-leader mentality. Now, in this new and revised edition, authors Bolman and Deal address such current issues as the changing nature of work, the new face of today's workforce, and the greater need for an infusion of soul in the workplace. They also include real-life stories from readers of the first edition, and answer key questions that those readers raise. As vital as ever, this revised narrative of an executive and his quest for deeper meaning continues to point the way to a more fulfilling work experience.
