Smaart v8 User Guide Rational Acoustics

From Rational Acoustics, the owners & developers Smaart, comes the official Smaart v8 User Guide. The Smaart v8 User Guide is a comprehensive guide to working with the latest version of professional audio's most widely used system analysis & optimization software. All of Smaart v8's measurement capabilities are covered in detail, along with helpful illustrations and application examples. It also includes sections on fundamental audio concepts, navigating the user interface, capturing & managing data as well as an extensive set of appendices covering measurement rig setup, licensing & installation, applicable standards and suggested further reading. Written in Rational Acoustics' approachable easy-to-read style, with just the right amount of geeky humor, the Smaart v8 User Guide is more than just a software manual, it is a fantastic all-in-one reference that Smaart users will find themselves returning to again and again. NOTE: This version of the v8 User Manual has been updated to cover all of the new features included in the 8.1 release of Smaart (released November 21, 2016)
