What better way for a child to celebrate a beloved parent than with a book of personal thoughts, memories, photos, and drawings? This lovely little scrapbook will make a wonderful gift for dad. Inside, children can fill it with facts about their father - where he was born, his favorite color, what he loved to do when he was little--along with notes about the fun things they do together as a family. There are places for photos, spots for drawing, and lots of space for kids to express all the reasons they love their dad so much. A built-in pouch at the back of the book can be used to store photos, notes, and other dad-related mementos. The book also comes with a gift card that children can use to write a special message for their father. A heartwarming keepsake that will be cherished for years.
