Registered sex offenders in Treasure Valley have started showing up dead, killed with apparent violence and forethought; and Detective Nate Richards finds himself pitted against a psychotic killer set on ridding the valley of the unclean.

When Chrystal Johansson, the only female on the killer's list, barely escapes the attempt on her life, Richards takes her into protective custody. Driven by a voice he calls God and a group of men he calls the Uncles, the killer sets a deadline of two weeks to complete the valley's cleansing.

Around him, the community divides about the actions of the vigilante. Some hail the killer as a modern day knight, only doing what they wish they could; while others curse him as being part of the sickness he claims to fight.

With the deadline quickly approaching, and the city threatening to tear itself apart, will the killer fulfill his calling or will Nate stop the killings before another victim turns up **DEAD RIGHT THERE**.
