## **Elephantoms: Tracking the Elephant** Lyall Watson

As a child in South Africa, spending summers exploring the world with his boyhood friends, Lyall Watson came face to face with his first elephant. From that moment on, Watson's fascination grew into a lifelong obsession with understanding the nature and behaviour of this impressive creature. Around the world, the elephant - at once a symbol of spiritual power and physical endurance - has been worshipped as a god and hunted for sport. In this captivating portrait of the elephant, Watson draws from scientific research, anthropological studies and personal experience to document the animal's wide-ranging capabilities to remember and to mourn. He reminds us of its rich mythic origins, its evolution and its devastation at the hands of poachers in recent history. Part meditation on an elusive animal, part evocation of the power of place, *Elephantoms* presents an alluring mix of the mysteries of nature and the wonders of childhood.

### From reader reviews:

#### **Bradley Loy:**

The reason? Because this Elephants: Tracking the Elephant is an unordinary book that the inside of the book waiting for you to snap this but latter it will distress you with the secret the idea inside. Reading this book next to it was fantastic author who all write the book in such awesome way makes the content within easier to understand, entertaining method but still convey the meaning thoroughly. So , it is good for you for not hesitating having this anymore or you going to regret it. This book will give you a lot of positive aspects than the other book include such as help improving your proficiency and your critical thinking method. So , still want to delay having that book? If I have been you I will go to the guide store hurriedly.

#### **Helen McCleary:**

This Elephants: Tracking the Elephant is great reserve for you because the content which is full of information for you who all always deal with world and get to make decision every minute. This specific book reveal it details accurately using great coordinate word or we can state no rambling sentences included. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but tough core information with attractive delivering sentences. Having Elephants: Tracking the Elephant in your hand like keeping the world in your arm, information in it is not ridiculous one. We can say that no book that offer you world with ten or fifteen moment right but this reserve already do that. So , it is good reading book. Heya Mr. and Mrs. stressful do you still doubt that?

#### **Robert Olsen:**

This Elephants: Tracking the Elephant is fresh way for you who has curiosity to look for some information given it relief your hunger details. Getting deeper you on it getting knowledge more you know or perhaps you who still having little bit of digest in reading this Elephants: Tracking the Elephant can be the light food to suit your needs because the information inside this particular book is easy to get by simply anyone. These books produce itself in the form and that is reachable by anyone, sure I mean in the e-book form. People who think that in publication form make them feel sleepy even dizzy this reserve is the answer. So there is absolutely no in reading a guide especially this one. You can find what you are looking for. It should be here for you. So , don't miss it! Just read this e-book sort for your better life and also knowledge.

#### **Paul Avila:**

What is your hobby? Have you heard this question when you got scholars? We believe that that issue was given by teacher to the students. Many kinds of hobby, All people has different hobby. So you know that little person such as reading or as studying become their hobby. You should know that reading is very important along with book as to be the matter. Book is important thing to add you knowledge, except your personal teacher or lecturer. You will find good news or update with regards to something by book. Amount types of books that can you choose to adopt be your object. One of them is actually Elephants: Tracking the Elephant.
