England's Thousand Best Churches Simon Jenkins

Simon Jenkins has traveled the length and breadth of England to select his thousand best churches. Organized by county, each church is described—often with delightful asides—and given a star-rating from one to five. All of the county sections are prefaced by a map locating each church, and lavishly illustrated with color photos from the *Country Life* archive. Jenkins contends that these churches house a gallery of vernacular art without equal in the world. Here, he brings that museum to public attention.
