Jersey (Channel Is.) Landscapes Series Sunflower Books

Jersey has a coastline with its share of steep paths and endless steps. Away from the coast, however, there is slightly more variety in the landscape, and walking is relaxed and easy, mainly along quiet lanes and country paths. Geoff Daniel has the happy knack of finding sights and places to stir the imagination - from the Pinnacle (one-time scene of pagan rituals) to the eerie towering concrete relics of the island's occupation by Germany during World War II. The 2 car tours are accompanied by a touring map; the 22 long and short walks are illustrated with large-scale (1:25,000) Ordnance Survey maps. Plan of St Helier, public transport timetables, and a unique free online update service for the latest route-change information.
