Last Train to the Missing Planet Kim Dower

Acclaimed for combining the accessible and profound, Kim Dower's poetry has been described by *The Los Angeles Times* as "Sensual and evocative . . . seamlessly combining humor and heartache," and by *O Magazine* as "unexpected and sublime." Her third collection, *Last Train to the Missing Planet*, rockets forward in this trajectory, taking us on a journey to places we've often visited but never seen. Buy a ticket and hop aboard: experience love, longing, and passion tipped sideways; irreverent, touching, and disarmingly sexy as illuminated by an original and brilliant light. Lose yourself in the unexplored sensations of the ordinary in this engaging year of moments, both comforting and terrifying—and always extraordinary.
