Major General Israel Putnam: Hero of the American Revolution Robert Ernest Hubbard

A colorful figure of 18th-century America, Israel Putnam (1718-1790) played a key role in both the French and Indian War and the Revolutionary War. In 1758, while serving with the storied Rogers' Rangers, he barely escaped being burned alive by Mohawk warriors. He later commanded a force of 500 men who were shipwrecked off the coast of Cuba, and reportedly gave the command "Don't fire until you see the whites of their eyes" at the Battle of Bunker Hill. Detailing his close relationships with Aaron Burr, Alexander Hamilton, and John and Abigail Adams, this first full-length biography of Putnam in more than a century re-examines the life of a revolutionary whose seniority in the Continental Army was second only to that of George Washington.
