Sassy, successful Faith Brown has earned her place in the boardroom through hard work and sheer ambition. Making family is not on her agenda when there are businesses to develop and competitors to outdo. So when a casual affair with smooth and irresistible tycoon Mark Essien leads to an unplanned pregnancy, she's determined not to make the mistakes her mother made by living with a man just for the sake of her child. For Mark, personal matters have no place in the boardroom. Spotting the perfect opportunity, he ruthlessly launches a takeover bid for Faith's Investment Brokerage firm. Finding out he'll soon be a father, he knows he can't let the indomitable and sexy Faith go through with her plans of single parenthood. All gloves are off. He'll seduce her by any tactic necessary if it means his child doesn't suffer the same stigma he did as a child. With the media dogging their affairs in the boardroom and the bedroom, they find that making family is harder than making scandal.
