## **New Approaches to Ruskin (Routledge Revivals): Thirteen Essays** Robert Hewison

The study of Ruskin's work and influence is now a feature of several critical disciplines. *New Approaches to Ruskin*, first published in 1981, reflects this, gathering some of the most distinguished writers on Ruskin and joining them with others who have undertaken significant research in the field of Ruskin studies. The authors were all specially commissioned for this volume and were chosen to represent as wide a variety of approaches as possible to this key figure of nineteenth-century culture. This book is ideal for students of art history.
