**The Decline of Communism in China: Legitimacy Crisis, 1977-1989** X. L. Ding

This book examines the relationship between the Communist political elite and the largely anti-Communist intellectual elite during the decade of reform (1977-1989). The author, who was a participant in these events, shows how intellectuals gained control of state institutions and organized resistance to the Deng Xiaoping regime. The book will be of interest to students of China and of comparative communism.
