Michael H. Kater

Weimar Michael H. Kater

Historian Michael H. Kater chronicles the rise and fall of one of Germany's most iconic cities in this fascinating and surprisingly provocative history of Weimar. Weimar was a center of the arts during the Enlightenment and hence the cradle of German culture in modern times. Goethe and Schiller made their reputations here, as did Franz Liszt and the young Richard Strauss. In the early twentieth century, the Bauhaus school was founded in Weimar. But from the 1880s on, the city also nurtured a powerful right-wing reactionary movement, and fifty years later, a repressive National Socialist regime dimmed Weimar's creative lights, transforming the onetime artists' utopia into the capital of its first Nazified province and constructing the Buchenwald death camp on its doorstep.

Kater's richly detailed volume offers the first complete history of Weimar in any language, from its meteoric eighteenth-century rise up from obscurity through its glory days of unbridled creative expression to its dark descent back into artistic insignificance under Nazi rule and, later, Soviet occupation and beyond.

From reader reviews:

Maureen Perdue:

This Weimar book is not ordinary book, you have after that it the world is in your hands. The benefit you receive by reading this book is usually information inside this guide incredible fresh, you will get information which is getting deeper a person read a lot of information you will get. That Weimar without we realize teach the one who reading it become critical in thinking and analyzing. Don't possibly be worry Weimar can bring whenever you are and not make your bag space or bookshelves' come to be full because you can have it in the lovely laptop even cell phone. This Weimar having good arrangement in word along with layout, so you will not truly feel uninterested in reading.

Judith Bode:

The reason why? Because this Weimar is an unordinary book that the inside of the reserve waiting for you to snap this but latter it will jolt you with the secret the item inside. Reading this book alongside it was fantastic author who also write the book in such remarkable way makes the content within easier to understand, entertaining approach but still convey the meaning totally. So , it is good for you because of not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of gains than the other book include such as help improving your expertise and your critical thinking approach. So , still want to hesitate having that book? If I had been you I will go to the reserve store hurriedly.

Phyllis Wilder:

Your reading sixth sense will not betray a person, why because this Weimar guide written by well-known writer we are excited for well how to make book that may be understand by anyone who else read the book. Written within good manner for you, dripping every ideas and publishing skill only for eliminate your own personal hunger then you still question Weimar as good book not simply by the cover but also by content. This is one reserve that can break don't determine book by its cover, so do you still needing another sixth sense to pick this specific!? Oh come on your reading through sixth sense already told you so why you have to listening to an additional sixth sense.

Billy Salazar:

What is your hobby? Have you heard that question when you got college students? We believe that that concern was given by teacher on their students. Many kinds of hobby, Everybody has different hobby. And you know that little person just like reading or as studying become their hobby. You must know that reading is very important along with book as to be the point. Book is important thing to incorporate you knowledge, except your own teacher or lecturer. You get good news or update about something by book. A substantial number of sorts of books that can you choose to adopt be your object. One of them is Weimar.
