Yevgeny Onegin (Pushkin Collection)

Alexander Pushkin

Yevgeny Onegin (Pushkin Collection) Alexander Pushkin

The aristocratic Yevgeny Onegin has come into his inheritance, leaving the glamour of St Petersburg's social life behind to take up residence at his uncle's country estate. Master of the nonchalant bow, and proof of the fact that we shine despite our lack of education, the aristocratic Onegin is the very model of a social butterfly - a fickle dandy, liked by all for his wit and easy ways. When the shy and passionate Tatyana falls in love with him, Onegin condescendingly rejects her, and instead carelessly diverts himself by flirting with her sister, Olga - with terrible consequences.

Yevgeny Onegin is one of the - if not THE - greatest works of all Russian literature, and certainly the foundational text and Pushkin the foundational writer who influence all those who came after (Tolstoy, Dostoevsky, Chekhov, etc). So it's no surprise that this verse novella has drawn so many translators. It's a challenge, too, since verse is always harder to translate than prose. (Vikram Seth, rather than translating *Onegin* again, updated it to the 1980s in San Francisco in his *The Golden Gate*). A.D.P. Briggs is arguably the greatest living scholar of Pushkin, certainly in the UK, and as such he's spent a lifetime thinking about how to translate Pushkin. Briggs is an experienced and accomplished translator, not only for Pushkin (Pushkin's *The Queen of Spades*) but for Penguin Classics (*War and Peace*, *The Resurrection*) and others. Briggs has not only been thinking about Pushkin for decades, he's been working on this translation for nearly as long. It's a landmark event in the history of *Onegin* translations and this edition is accompanied by a thoughtful introduction and translator's note.
