After a few fumbles in the south, a trip to the Turkish-controlled north of the island goes very wrong when the women find themselves in the hands of a corrupt police chief. the privileged women soon experience a very different way of life, where the only thing that matters is their gym-honed bodies and sexual performance. Extract: For the first session, she was bound. Her wrists were tied to the head of the bed on which she lay on her back. Ropes were also wrapped around her knees and ankles so she was spread wide open for all to see. Mistress Drusilla then warmed her up with a soft leather strap, across her big tits, flat belly, inner thighs and then finally, her clit. Lying back and enjoying the sensual tingle the afterglow always gave her, Arabella waited to see what would come next. 'Now I have your attention,' began the severe looking woman, 'I shall teach you just how much pleasure one women can give to another.' For a moment, Arabella thought the Mistress was going make love to her herself but no. She called forward a very pretty little Greek girl that everyone called Aphrodite. Arabella felt sure that couldn't be her real name but she was surely beautiful enough. In her early twenties, she had light olive skin and big juicy lips. Slim and petite, she nonetheless had full breasts and childbearing hips. The best word to describe her was sensual. Mistress Drusilla continued. 'Aphrodite is highly skilled in Sapphic love,' she said. 'I urge you to resist all you want. She will have you cumming in less than five minutes.'
