Love Bites

Love Bites

In the brand-new "Oath of Service," Angela Knight returns to her Mageverse world for a new twist on the Arthurian legend. After a fight with a dragon goes wrong, Morgana le Fay takes an Oath of Service to Percival, vampire Knight of the Round Table, who decides to give Morgana a taste of bondage and submission she'll never forget. In "Be Careful What You Wish For," a beautiful vampire and her two vamp lovers lock horns with a wizard who has an ugly habit of refusing to take no for an answer. When he casts a spell on Beau and Decker, Amanda finds herself the object of both men's lust. In "The Bloodslave," a female mercenary comes under fire during a hunt. The beautiful, virginal, and very human Verica is captured by three hungry alpha vampires driven deliriously feral by her purity. But they desire more than her warm blood. They want her body, as well, leaving Verica more vulnerable than ever before-and loving every minute of it. Contains mature themes.
