Pepi the parrot is ready for a new song. So he decides to step out into the neighborhood to find some exciting things to sing about. He discovers yummy things (sprinkles! icing! dough!) at the bakery, colorful things (paint! clay! easel!) at the artist's studio, and musical things (maracas! drums! guitar!) at the instrument shop. And then he puts them all together to create a song everyone will want to join in on. From acclaimed picture book creator Laura Ljungkvist, here is a delightful readaloud romp that celebrates community, creativity, and the fun of learning new words.
