Shadows of the Oak: A Tenebris Books Collection of Fairy Tales A J Dalton, Joel Cornah

Classic fairy tales are filled with brave princes and plucky heroes who triumph over evil, but what of those whom they challenge, and those whose cunning is rooted in ruthlessness? In Tenebris Books' second fairy tale collection, following Willow, Weep No More, we explore the psyche of the anti-hero and follow those whose motives are less than pure. Some succeed, others fail; some learn, while others are content to reap wealth rather than seek redemption. We invite you to join us as we wander through the shadows and learn why not every fairy tale ends with *happily ever after*.
