Valerie Beauchamp:

As a scholar exactly feel bored for you to reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just very little students that has reading's heart or real their passion. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that examining is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country.
