When Robert began dating Jennifer in the summer of '95, a college buddy of his returned to Buffalo for a visit. The two friends had a night out that the police report described as, "Insane beyond comprehension, even for knuckleheads that inebriated." Now it's mid-December, and Jennifer's leash around Robert's neck can't get any shorter.

Meanwhile, Robert's same friend is planning an even bigger road trip back to frigid Buffalo. He foresees a weekend overflowing with beer and girls, and climaxing with the Bills squishing their rival Dolphins. If Jennifer finds out, there's no telling what she'll do.

What unexpected trouble is flying up from Miami? Will drunken chaos spin out of control again? When relationships, friendships, and enemies collide, can anything survive? And where did the midget strippers come from? Nothing can prepare this incompatible cast of characters for this wild winter weekend.
