A Sea-Queen's Sailing

Charles W. Whistler

A Sea-Queen's Sailing Charles W. Whistler

Early one summer morning in 935 A.D., Malcolm the Jarl's home in northern Scotland is attacked by Viking raiders led by Heidrek the Seafarer. Struck down during the brief battle that follows, Malcolm is taken captive and imprisoned on what was once his own ship. Refusing to join the murderous Vikings, he manages to escape with two of the other prisoners, only to end up lost at sea. Through a strange series of events, the three young men come upon the young queen, Gerda, who is alone and desperately in need of help. Together, the three friends, Scottish jarl, Irish prince and English thane, pledge themselves to protect Gerda and seek to restore her kingdom which has been usurped by her evil cousin Arnkel. But first they must escape from Heidrek who is pursuing them across the northern seas. Adventure and danger abound in this exciting tale of brave manly men fighting to uphold the honor of a woman.

From reader reviews:

Ann Lemieux:

Within other case, little men and women like to read book A Sea-Queen's Sailing. You can choose the best book if you love reading a book. So long as we know about how is important the book A Sea-Queen's Sailing. You can add information and of course you can around the world by way of a book. Absolutely right, because from book you can understand everything! From your country right up until foreign or abroad you may be known. About simple matter until wonderful thing you could know that. In this era, we are able to open a book or searching by internet gadget. It is called e-book. You need to use it when you feel weary to go to the library. Let's learn.

Betty Hood:

What do you ponder on book? It is just for students because they are still students or this for all people in the world, the particular best subject for that? Only you can be answered for that concern above. Every person has various personality and hobby per other. Don't to be compelled someone or something that they don't want do that. You must know how great along with important the book A Sea-Queen's Sailing. All type of book can you see on many resources. You can look for the internet resources or other social media.

Brian Rankins:

Information is provisions for people to get better life, information these days can get by anyone with everywhere. The information can be a understanding or any news even a problem. What people must be consider whenever those information which is inside former life are challenging to be find than now's taking seriously which one is appropriate to believe or which one the actual resource are convinced. If you receive the unstable resource then you buy it as your main information we will see huge disadvantage for you. All of those possibilities will not happen with you if you take A Sea-Queen's Sailing as the daily resource information.

Duncan Houghton:

That reserve can make you to feel relax. This kind of book A Sea-Queen's Sailing was vibrant and of course has pictures around. As we know that book A Sea-Queen's Sailing has many kinds or type. Start from kids until teens. For example Naruto or Investigation company Conan you can read and think that you are the character on there. So , not at all of book tend to be make you bored, any it offers you feel happy, fun and relax. Try to choose the best book for you and try to like reading in which.
